

CBMC Team: Kenya

We are busy praying for the more than 20 teams in Africa. This week our focus is on Kenya. Remember the purpose of the information and prayer points are for us as CBMC teams to pray for each other.

Team Location:

Kenya is on the East Coast of Africa, Indian Ocean.

Background:

1. CBMC was introduced in Kenya in 1998. The team, however, became established in 2011.
2. There are currently 7 teams.
3. The CBMC representatives for Kenya are Anthony Mutua and Denis Marangu.

Please PRAY for:

1. God to revitalize all current members in Kenya to witness in the marketplace.
2. Peaceful elections and revival of the economy as it is not in a good place businesswise currently.
3. CBMC Mombasa to take root and for the vision casting in Eldoret to yield a strong CBMC team.

Have a blessed week.
