## Weekly information

16 JUNE 2025

This week, we're starting to look at the goals ("ENDS") we'd like to achieve in CBMC.

The first goal we want to look at is about the **Bible**.

How do you feel about the following statements that are often heard?:

- "The Bible can no longer be accepted as the absolute Word of God."
- "The Bible is no longer valid. Times have changed and the Bible is old-fashioned."
- "We should not take everything in the Bible literally."

How does this compare to Psalm 119:9; 119:103-105; 102:27-28; Joshua 1:8; 2 Tim.3:16?

CBMC's goal for our members regarding the Bible: **That every person in the ministry will regularly hear, read, study, meditate, memorize, and apply the Word of God in all areas of our lives.**

\*Is God's Word still the highest authority in my life?

\*Am I spending quality time in the Word?

\*Do I apply it in ALL areas of my life? In my finances, business, marriage, and all other decisions?
