Discipleship and Disciple-making (Part 27)

Why isn't every believer in a discipleship relationship with another believer?

What is it that prevents more mature Christians from getting involved in such 1-on-1 relationships and assisting young believers on the path of spiritual growth? Why do young believers no longer seek out mature brothers to assist them?

There can be many reasons, as well as many excuses.

What would you say are some of the most common reasons?

An answer I often hear is, 'I don't know how to start'.

Maybe it gets easier when we look at what the big picture is. "Meet a man where he is and help him become the man God designed him to be."

The problem is often that we don't know which man. How earnestly do we pray that the Holy Spirit will show us who our target men and young disciples should be?

What did Jesus do in Luke 6:12-13?

How did you decide on the names on your 10-Target Men card and Blue Cards?

How did you decide with whom you wanted to walk the discipleship path?

If you are not yet praying for men or involved in a discipleship process, e.g. Operation Timothy, I would encourage you to talk to your Team Leader or other member of your team who is involved. If you would prefer to contact the CBMC Office you are welcome to do so.
